1st Asia Pacific Innovation Forum (APIF)

- According to the United Nations Charter, the United Nations affairs and objectives are carried out by the six pillars and hundreds of subsectors, one of which is the United Nations Economic and Social Council (UNECOSOC). The ESCAP for the alteration of the Asia-Pacific region and for sustainable development have set seventeen goals of sustainable development on the agenda of seven committees. One of these main goals is "Strengthening the tools for the implementation and revitalization of global partnership for the sustainable development of science, technology and innovation", which is entrusted to the Committee on Innovation and Technology.

This year, INOTEX will host the first Asia Pacific Innovation Forum with the presence of top-level delegates from the member states. The presence of high-level international decision makers at the exhibition will be a great opportunity for companies and startups at the exhibition to develop international products and find new international markets.

☑ This event will be held on 11-12 June, 2019.

INOTEX Stage

- ▣ Inviting well-known and influential international figures, inspirational lectures, surprising events, and the study of the world's trends and challenges, are among the programs that will be held at the exhibition's special stage.

INOTEX Investment Cafe'

- ❑ The INOTEX Investment Cafe' is a special occasion for startup owners and startups to raise funds and negotiate with investors. Exhibitors and will be introduced to the respective investors according to the amount of capital required and their scope of activities and services, and special meetings will be arranged for them.

INOTEX Pitch

- ▣ The competition of startups in the presence of investors and the rating them by Iranian and international juries is among the events of INOTEX. The first round of the competition will be held in May 2019 in Tehran, Hormozgan, Yazd, Gilan, South Khorasan and Kermanshah, and winners will be announced in each province. The provincial superior teams, in addition to getting the final turn-around allowance in Tehran together with INOTEX and accommodation during the exhibition's showcase, can receive a free stand at the exhibition. At the end of event, winners will be awarded.

INOTEX Talent

- INOTEX Talent is a job acceleration that brings together companies and young people, especially graduates and students alike. This two-day event will bring major corporations to talented youngsters who are contemplating their future, ultimately leading to job opportunities and the ability of young people to make informed decisions about choosing the right job.
